Lahore, Pakistan

INTRODUCTION

MC CHEMICALS is a trusted and growth-driven chemical manufacturing and trading company based in Lahore, Pakistan. Established in **2009**, the company began its journey with just **57** core cleaning and hygiene products under a small trading setup - driven by a vision to provide better solutions, not just higher prices.

Through dedication, innovation, and continuous improvement, **MC CHEMICALS** has evolved into a comprehensive provider of cleaning, hygiene, and janitorial solutions, proudly serving commercial, industrial, and institutional sectors nationwide.

Today, our portfolio exceeds **250+** products, including **70-80** in-house manufactured formulations, each developed with precision, research, and practical expertise. Our expansion from trading to manufacturing represents our commitment to local excellence, quality control, and customer trust.

In **2019**, we proudly introduced our flagship brand "**Meliora Products**", marking a new era of premium quality, reliability, and performance in professional cleaning care.

Under the **Meliora** label, we deliver a complete range of industrial and housekeeping products designed to meet modern hygiene standards - widely trusted by food outlets, quick-service restaurants (QSRs), cafés, eateries, and large-scale commercial clients across Pakistan.

With a foundation built on innovation, affordability, and customer satisfaction, **MC CHEMICALS** continues to lead the way as a dependable partner for high-performance cleaning and chemical solutions on every commercial scale.

From **57** products to **250+** solutions

A Journey of Growth & Excellence

ABOUT US

MC CHEMICALS began its journey in **2009** as a small trading business with a vision far beyond profit — a vision to provide people with reliable and affordable chemical solutions they could truly trust. Founded by Mr. Asghar Ali Warraich, along with a dedicated team of professionals, the company was built on values of honesty, hard work, and customer care.

Our clients value us for our sincerity, quality assurance, and the importance we give to their feedback.

As we look ahead, our focus remains on continuous improvement and expansion — strengthening our janitorial services, ensuring uncompromised quality, and stepping confidently into international export markets. Every product we create and every service we deliver reflects our belief that true success lies not in profit, but in the satisfaction and trust of our customers.

MISSION & VISION

🎯 MISSION STATEMENT

Our mission at **MC CHEMICALS** is to deliver premium-quality cleaning and hygiene solutions that help our clients maintain safe, spotless, and efficient environments — all while keeping their costs under control.

We are committed to:

- Manufacturing high-performance chemical products that meet professional standards of safety and effectiveness.
- Providing honest pricing and reliable after-sales support, ensuring every client feels valued and satisfied.
- Listening carefully to customer feedback and continuously improving our products and services.
- Upholding integrity and quality in every step — from formulation to final delivery.
- Building long-term partnerships based on trust, care, and consistent performance.

*Guided by passion and responsibility, **MC CHEMICALS** believes that true success is not achieved through profit alone, but through customer trust, product excellence, and a genuine commitment to serve.*

🎯 VISION STATEMENT

To position **MC CHEMICALS** as the regional benchmark for innovative and sustainable cleaning solutions — trusted for superior quality, engineered for performance, and ready to compete on the global stage. We will achieve this by combining disciplined research, scalable service models, and responsible manufacturing to deliver measurable value to clients while safeguarding people and the environment.

Strategic Vision Objectives

- Expand market presence regionally and enter selected international markets with export-ready product lines.
- Innovate eco-conscious formulations that meet international safety and environmental standards.
- Scale and professionalize janitorial services to serve institutional and industrial clients at national level.
- Invest continuously in R&D and quality assurance to maintain product efficacy and regulatory compliance.
- Build resilient supply chains and strategic commercial alliances to ensure timely delivery and competitive advantage.

OUR CLIENTS TRUST US FOR

Cost-Effective Excellence

Delivering premium-quality solutions that optimize performance without exceeding budgets.

Reliable Supply & Support

Ensuring timely deliveries, consistent availability, and responsive customer care.

Tailored Product Solutions

Recommending the right formulations and cleaning systems for every commercial requirement.

Professional Janitorial Management

Providing measurable, results-driven services that maintain hygiene and operational efficiency.

Commitment to Quality

Upholding industry standards through rigorous testing, continuous improvement, and customer feedback.

PROFESSIONAL CLEANING & MAINTENANCE SERVICES

At **MC CHEMICALS**, we go beyond supplying cleaning products — we deliver specialized cleaning and maintenance services designed for homes, businesses, and industries. Our trained teams use modern equipment, eco-friendly solutions, and proven techniques to ensure outstanding results, hygiene, and long-term protection.

Carpet Washing

Deep cleaning for lasting freshness. Revitalize your carpets with our professional washing service. Using advanced cleaning systems and eco-safe formulas, we remove dust, stains, and allergens — leaving carpets fresh, soft, and renewed.

Sofa Cleaning

Comfort meets cleanliness. Our expert sofa cleaning service eliminates embedded dirt, odors, and stains while preserving fabric quality — ensuring your furniture stays hygienic and looks brand-new.

Tank Washing

Clean water starts with a clean tank. We provide thorough tank washing services, removing sediment, algae, and contaminants to keep your water safe, fresh, and hygienic.

Termite Control

Protect your property, preserve your peace. Our termite control specialists use advanced, long-lasting treatments to eliminate infestations and prevent future damage to your property.

Drain Unblocking

Fast, reliable, and hygienic. Our drain unblocking service ensures smooth flow by removing clogs, grease, and buildup — preventing overflow and unpleasant odors.

Pool Cleaning

Crystal clear, ready to dive. We offer complete pool maintenance, from debris removal to chemical balancing, ensuring your pool remains safe, clean, and swim-ready year-round.

Car Detailing

Precision cleaning, inside and out. Our car detailing service restores your vehicle's shine and freshness — from deep interior cleaning to exterior polishing for a showroom finish.

Roof Waterproofing

Stop leaks before they start. We use durable, weather-resistant coatings to protect your roof from moisture, cracks, and seepage — ensuring long-term protection and peace of mind.

Heat Proofing

Cooler spaces, smarter energy. Our heat-proofing solutions reduce heat absorption and improve energy efficiency, keeping interiors comfortable and cost-effective.

Specialized Pest Control

Complete protection for every space. We deliver safe, efficient, and long-lasting pest management solutions — including termite, rodent, and insect control — ensuring your premises remain clean, healthy, and pest-free.

Each service is executed by skilled professionals with precision and care — ensuring quality, safety, and satisfaction. That's the **MC CHEMICALS** promise.

PRODUCTS PORTFOLIO
